GREER TUNNEL'S EAST PORTAL

LOCATION: MILE MARKER 28.6 ~ 0.4 MILES FROM CLOSEST TRAILHEAD

The 111-year-old Greer tunnel and its refurbished portals look impressive and impervious. The rehabilitation work will allow safe, convenient passage for Montour Trail users — for many years to come.

Join local, county and state officials as well as Montour Trail volunteers cut the ribbon.

Directions to the Greer tunnel

We recommend that you walk or bicycle to the event if you are able. The nearest parking lot is the Linwood trailhead off Buckeye Street in Peters Township. A golf cart will be available to transport those needing assistance.
