

## **Montour Trail Camping Policy**

October 7, 2023

There are several primitive campsites along the Montour Trail, each with specific but limited amenities. These sites were established to help people who want to travel by foot or bike from Pittsburgh to Washington, DC. Residents and other tourists may also take advantage of the facilities.

Reservations are not necessary, and there is no charge for using the sites. However, campsites are available on a first-come, first-served basis.

Details about campground locations, amenities and Trail rules are posted on the Montour Trail website: [www.MontourTrail.org](http://www.MontourTrail.org).
