Grant Monies Will Help Build Trail in Allegheny, Washington Counties

The Montour Trail Council will be the beneficiary of three major grants that should enable us to build substantial portions of Trail in the next several months.

The State Transportation Commission has approved funding for two MTC enhancement projects. In Allegheny County $400,000 was approved for Phase 8C and 8E in South Park Township. In Washington County $400,000 was approved for a new bridge over Muse-Bishop Road in Cecil Township. Thanks to David Wright and Ned Williams who spent numerous hours preparing the grant applications. (See project details below).

In addition, the MTC received $6,500 from a grant request of $10,848 from the Washington County Room Tax / Tourism Grant. These funds will aid in materials acquisition for the construction of a .63-mile connection between the Montour and Panhandle Trails just west of McDonald.

Washington County awarded a total of $51,500 to 13 organizations, down from $70,000 awarded to 15 organizations last year. Thanks to Mark Imgrund and John Hooton on putting together this successful grant application.

Trail Talk
from the Editor’s Desk

At long last, spring beckons. And with it comes the promise of summer. Already many Trail building activities are taking place (check the Friends group of your choice at right to see how you can join in), and we are getting ready for my own personal favorite outdoor holiday: National Trails Day.

On June 5th, you will find MTC volunteers staked out all along the Trail, passing out brochures and goodies, answering questions, and asking for your support. If you read the article on the front page, you may think that the funds are just rolling in. Well, in a way, they are. Thanks to the many contributors listed in our 2003 Annual Report (see insert), politicians in both Harrisburg and Washington, DC, and the hard-working volunteers active in the MTC, we are getting closer to our goal of 47-plus miles of continuous Trail from Coraopolis to Clairton. As you may notice from our new map (page 8), we are getting ever closer to that goal.

However, despite first appearances, the funds coming in are a drop in the bucket in terms of what is needed to complete the Trail, not to mention what will be needed to maintain the Trail for years and years to come. In some cases, every dollar we obtain through grants must be matched by the MTC in order to receive the funds. That means we are always in need of new revenue sources and additional contributions from you, our valued supporters.

And when it comes to supporting the MTC, you are in a unique position. Usually when you give to a non-profit group, you may not see tangible results for years, if at all. All our funds go right into Trail building and maintenance, so you see both improvements to the Trail and actual Trail being constructed (and in some cases, such as with bridges and trestles, that construction can be mighty impressive). You can use your Trail—the one for which you’ve helped pay—even while we are continuing to build and improve. Talk about instant gratification!

It’s not often that we bring up the “dirty topic of money,” but if we don’t remind our users from time-to-time that the Trail is something worthy of support, we all start to take it for granted. One such chance to show support and have a rocking-rollin’ good time will be held on Saturday, May 22, when Bethel Park Friends looks to raise funds for the Clifton Road Bridge project. The “Ramble, Run, Ride & Ribs” event is described in the green flyer and on page 7.

So, when you venture out this summer (and hopefully the weather will be fine during the RRRR and on National Trails day), be sure to enjoy what you’ve helped build. And if you can help even more—either by giving of your time or money or by asking your employer and friends to remember the efforts of the MTC—we would appreciate it.

Alternative Education Program to Add Amenities to Trails

Last fall, the Cecil Friends received a phone call from Assistant Principal Alex Covi of Keystone Oaks High School asking if we could use any assistance on our section of the Trail. He was looking for a location for the students in his Alternative Education program to do some work out in the country for which he was beginning to prepare a grant proposal to fund his project. Alex was invited to our September meeting to describe his program and to get ideas that could be included in his proposal.

His Alternative Education program is for students from troubled lifestyles that are having difficulties in the classroom. This program allows the students to learn values while providing a community service. Several years ago Mr. Covi, while teaching at Chartiers Valley High School, brought the Science Club out to the Trail for a day and performed a spring spruce up under the direction of Don Berty.

Mr. Covi was successful in obtaining the grant and his students will perform work in the Keystone Oaks School District communities of Greentree, Dormont and Castle Shannon and on the Montour Trail in Cecil and on the Panhandle Trail. Thus far, his students plan on building two dozen benches to the specs of the Allegheny Trail Alliance. A dozen or so of those benches will be spaced between Hendersonville and Southview, about a half-dozen on the Panhandle with a some spares left over. The benches will be prefabricated in the high school shop and brought to the trail for installation under the supervision of the local Friends’ groups. The benches will be installed by the start of summer. He expects to have around $10,000 to spend on trail related projects that will include transportation, food, teacher salaries and materials.

Look for a story in an upcoming edition of the Trail Letter with photos on the progress of this project.

The Sixth-Annual Yockatomac Trek to Celebrate “For George’s Gorgeous Four Gorges”

June 20-27, 2004, offers bicycle enthusiasts the chance to join up with the Allegheny Trail Alliance and Trek from Washington, DC, to McKeesport.

Dubbed “For George’s Gorgeous Four Gorges,” the ride will cover 300 miles and journey through four gorges (Great Falls, Cumberland Narrows, Yough, Cedar Creek) that George Washington traveled through over 200 years ago.

The itinerary looks fun and fabulous:

Saturday, June 19, 2004, in Washington, DC
Arrive in Washington
Arrangements for a shuttle from McKeesport to Washington, DC have been made.

Sunday, June 20, 2004, Washington, DC to Leesburg, VA
36 miles on the C&O Canal
7 miles to Lodging

Monday, June 21, 2004, Leesburg, VA to Shepherdstown, WV
37 miles on the C&O Canal
2 miles to Lodging

Tuesday, June 22, 2004, Shepherdstown, WV to Hancock, MD
51 miles on the C&O Canal
1 mile to Lodging

Wednesday, June 23, 2004, Hancock, MD to Paw Paw, WV
32 miles on the C&O Canal
1 mile to Lodging

Thursday, June 24, 2004 Paw Paw, WV to Cumberland, MD

Hello members and friends of the Montour Trail!

I finally had the opportunity to ride my bicycle over the McDonald Trestle a few weeks ago. What a great experience! It reminded me of Stan Sattinger’s quote in David Templeton’s September 7, 2003, Post Gazette article: “Stan’s retirement plans, he said, will consist of riding a bicycle back and forth across the viaduct. He wasn’t joking.”

Well, the Montour Trail Council is always planning and working on ways to complete the Montour Trail as soon as possible. This spring and summer, our volunteers will be working on two very significant trail sections. John Wasco – with engineering assistance from Jack Peth, Ned Williams and Mark Imgrund – will be heading up our efforts to develop the old Montour Railroad transfer track into a trail connection to the Panhandle trail. Part of this project will include refurbishing a sixty-foot-long bridge.

The other significant volunteer project we’re working on now is to extend the Trail west from the Library junction In Peters Township to the Allegheny County line. This is a DCNR funded project headed by Dave Wright with on-site coordination by Mark Imgrund. Frank Ludwin will provide much of the heavy equipment volunteer work.

Volunteers are welcome to participate in either of these projects. You can contact John Wasco or Mark Imgrund respectively.

Happy Trails.

Dennis Pfeiffer,
President

Sixth Annual Yock Trek through George’s Gorges—cont.

Friday, June 25, 2004, Cumberland, MD to Confluence, PA
Max of 48 miles on the Great Allegheny Passage
1 mile to lodging
Western Maryland Scenic Rail Road from Cumberland to Frostburg, Bike and/or Shuttle to Confluence (depending on trail construction)

Saturday, June 26, 2004, Confluence, PA to West Newton, PA
1 mile from lodging
50 miles on the Great Allegheny Passage

Sunday, June 27, 2004, West Newton, PA to McKeesport (Pittsburgh), PA

What's an RRRR? On May 22nd, You Can Find Out!

The Friends of the Montour Trail in Bethel Park are having their first ever “Party on the Trail,” with the subtitle of “Ramble, Run, Ride and Ribs.” The purposes are to publicize the trail and to benefit the Clifton Road bridge fund. The “RRRR” will be on May 22 (Rain date May 23) from 10 in the morning until 3 in the afternoon. You can Ramble, Run, or Ride at your own leisure. Then, return for a delicious BBQ sandwich lunch. Lunch will be available the entire time. Enjoy this noncompetitive event for trail users of all ages.

The party will start at the Clifton Road trailhead, with parking on the unpaved parts of Al’s Cafe parking lot. We will be have a raffle, with people getting more raffle tickets for the greater distance travelled on the trail.

In conjunction with the RRRR, Bethel Park’s police department will host a Police Pals Fun Day from 11 a.m. to 3 p.m. in the parking lot of George Washington School. The event will include, a bicycle safety course, bike inspections and other activities available at a nominal cost.

The cost for Ramble, Run, Ride and Ribs is $15 for adults and $6 for children ages 11 to 17. Children under 11 are free. Your fee will cover include the lunch and an event t-shirt (for the first 200 registrants). See you there!

Mark Your Calendars Now!

Peters Township Friends of the Trail will be hosting another Twilight Trail Talk.

This time it’s warm weather instead of cold, cool refreshments instead of warm.

Enjoy the Trail “after hours” on Friday, July 30 (rain date Saturday, July 31).

More details to come in the July/August Trail Letter!

National Trails Day Set for June 5

This year’s National Trails Day will take place on Saturday, June 5. Expect to join your MTC volunteers on the Trail, whether you bike, jog, stroll or just help Fido stretch his legs.

This National event is in its twelfth year, and this year’s theme is “Trails and Health... A Natural Connection.”

Friends groups will be positioned at various spots along the Trail to give out information and answer questions. We hope to see you there!
Help Wanted

Once again we are in need of a new volunteer to help us at the MTC. We need someone to take over our e-mail box, answering e-mail and mailing brochures (about 90 percent of the e-mail requests are for brochures).

This job does not require extensive knowledge of the Trail (you can forward questions you can't answer), but it does require an Internet connection, an e-mail address (you can create one just for MTC forwarding), and general awareness about viruses (as a public account, we do get a lot of spam).

You set your own schedule, so please call 412-418-0432 today if you are willing to help!
