Montour Trail Receives $200,000 Funding to Begin 2006!

U.S. Senator Rick Santorum (R-PA) presenting Montour Trail president Dennis Pfeiffer with a check for $200,000 to help complete the Montour Trail.

Senator Santorum secured this funding for the Montour Trail in the recently passed SAFETEA-LU federal transportation bill.

And the Prez sez...

Hello to the members and friends of the Montour Trail.

The Montour Trail Council was very fortunate last year that Congressman Tim Murphy secured $1,600,000 and Senator Rick Santorum secured $200,000 in the transportation bill for construction of the Montour Trail. In addition Congressman Murphy was able to secure another $250,000 in the Appropriations bill for 2006. This new funding, while not all available this year, has allowed planning to commence for the 2006 construction season.

Our Chairman of the Engineering & Construction committee Ned Williams and Development Director Dave Wright are leading our efforts to determine possible construction projects for 2006. Updated costs and design status already have been obtained from Mackin engineering for the Washington County structures. Due to some technicalities we have been required to create a new engineering contract with PENNDOT for the Allegheny County projects. This new contract is now under review in PENNDOTs Harrisburg central office.

Our next step is to meet with our PENNDOT enhancement coordinator Adam Smith in the district 12.0 Uniontown office in early February. The purpose of this meeting is twofold.
Newsletter Volunteers Wanted

You’re reading this newsletter considerably later than we normally get our first issue of the year out. We apologize for any inconvenience of our delay, and assure you that we’re working to improve upon that going forward. First of all we’d like to thank our past newsletter editor, Astrid Cook, for her fine volunteer work these past several years putting together an informative and professionally-done newsletter. Unfortunately for us, her family situation has changed, leaving her insufficient time to continue in that role. We’ll certainly miss her!

Moving forward, the MTC board is seeking interested persons who are willing to volunteer their efforts toward producing and distributing this publication. We hope to find both a publication leader/editor and a group of individuals who can assist in soliciting and creating content, as well as take responsibility for the mechanics of producing it. If you have the talent, desire, and time to volunteer, we’d like to hear from you. Interested parties are requested to contact Mark Imgrund at mcimgrund@adelphia.net, or by phone at: 412-257-3011.

**And the Prez sez... cont. from page 1**

We will first review the status of our engineering plans. Then we hope to determine the amount and timing of enhancements funds that PENNDOT can program for construction. If the details can be worked out, there is a possibility PENNDOT could give us the OK to advertise for construction bids in the spring.

Let’s hope for another productive construction season as we had last year with the well done, under budget and on time Muse-Bishop Road bridge project.

Happy Trails.

*Dennis Pfeiffer, President*
