

# 2017 Annual Report

Special to the MTC Newsletter

July 2018

## Montour Trail in 2017 Pennsylvania's Trail of the Year

The Montour Trail Council was very proud when the Pennsylvania Department of Conservation and Natural Resources (DCNR) selected the Montour Trail as its 2017 Trail of the Year! At a local ceremony DCNR Secretary Cindy Adams Dunn said, "Quality, benefits to the region, and a strong volunteer network and multitude of partnerships qualify Montour for this honor. Length, variety of terrain, and a rich history all emerge to show why the Montour Trail has helped Pennsylvania emerge as a national leader in the rail to trail concept."

MTC president Ned Williams stated, "It's an honor to be selected as the 2017 Pennsylvania Trail of the Year from among all the trails across the state that competed. The award is a testament to the hundreds of dedicated volunteers who contributed tens of thousands of hours over the MTC's 27-year history."

## The National Tunnel Experiment

Bill Capp and his gang of volunteers closed the National Tunnel for the winter season with plywood panels. The exception was that vestibules on each side were added to allow trail users access to the tunnel this winter. Plastic curtain strips were then added to the vestibules. The installation was a success. In the first week of January, there were several consecutive days of sub-freezing temps with overnight lows in the below zero. The sensor readings in the tunnel showed that the temperature dropped from 50 to around 46 during the cold spell. Thus, no freezing is occurring in the tunnel and safe passage is being maintained through the tunnel in the winter.

## Allegheny County Congratulates MTC

Allegheny County Council officially congratulated the Montour Trail Council (MTC) for being named the 2017 Pennsylvania Trail of the Year by the Department of Conservation and Natural Resources. Council Representatives Sue Means and John Palmiere co-sponsored the resolution, which was joined by the entire Council.

## Ribbon Cutting, Ground Breaking and the Trail of the Year Event

The Montour Trail Council and the PA Department of Conservation and Natural Resources (DCNR) teamed up on June 1st to hold a combined Trail of the Year award celebration, official ribbon-cuttings for the Library Viaduct and the Pleasant Street trail section, and a ground breaking for Pleasant Street East. See comment above from DCNR Secretary Cindy Adams Dunn.

The event was held on the new Pleasant Street trail section, just east of the Library Viaduct. In illustration of a major theme of the event, the approximately 100 participants and observers arrived by foot, bicycle, car and trolley. The Pleasant Street trail section just completed and the trail soon to be constructed in the Library area will bring the trail to within just 60 feet of the Port Authority Library Park & Ride lot.

## Discover the Westland Branch

The Montour Trail has a 4.1-mile-long branch that is seldom visited by trail users. However, this branch is a few folk's favorite portion of the Montour Trail with abundant rural beauty and solitude. It also is a favorite of rail fans with an active parallel railroad. The MTC has recently allocated resources to address maintenance and a few trail members have volunteered to improve the branch. These trail members formed a new Westland Friends of the Montour Trail. The new maintenance initiative is now in full operation.

## New Construction

The MTC continues to make progress with engineering and approvals for the three unfinished sections in South Park Township. The Coraopolis extension is waiting on DEP approval before this construction can start.

## Maintenance

Our six dedicated Friends groups continue to perform the difficult and unheralded maintenance required on a 62-trail mile system. Please thank them as you are passing and do get involved with a local group. They do have a lot of fun.

## Eagle Scout projects

The MTC continues to work with Eagle Scout candidates on various projects on the Montour Trail. Following are three of the ones completed in 2017:

- Eagle Candidate Hugh Zimmerman, with help from several of his fellow scouts and coordination by the Montour Railroad Historical Society, installed four Montour Railroad Historic interpretive signs.
- Scout Zack Painter with the help of his brother Ryan, fellow Scout Dan Shemon, and his Dad Scott installed a stretching station at the Cliff Mine Trail Head.
- Scout Henry Pearce from Troop 238, sponsored by St. Bernard Church in Mt. Lebanon and his fellow scouts and an Airport Area Friends' Volunteer, built a picnic bench with a roof at the old Beaver Grade Road trail head. *Continues on page 2*

## Continued from Page 1

### Directional Signs added at each trail head.

Directional signs have been added at each trailhead. Each sign has the trailhead name and mileage. Also, on the sign are arrows showing in one direction the mileage to the next trailhead and to the start of the trail in Coraopolis. In the opposite direction arrows show the mileage to the next trailhead and to the end of the trail in Clairton.

### Members and Donors Provide Broad, Enduring Support

At its foundation, the Montour Trail Council is a membership organization. Membership is stronger than ever and donations are up. Members are making a loud statement that the trail is very important to an increasing number of people. It's clear that the people of this region want to keep the trail in place and in good shape for their children and grandchildren to use and enjoy.

Your Board of Directors, along with everyone who works on the trail, thanks you all for your ongoing support of the Montour Trail.

### Thank you 2016 sponsors and special donations!
